General questions

Q: I appreciate the possibility to participate online at the Hybrid Meeting, I wonder how ASML ensures that online participation will be without issues?

A: The application ASML uses is relatively new, at least in the Netherlands. In other countries, such as the United States of America and United Kingdom, hybrid shareholder meetings, are more common. ASML offers the application to shareholders through third parties that have gathered experience with organizing hybrid and virtual shareholders' meetings outside the Netherlands. But even though ASML has given its best efforts to ensure that shareholders are offered a best-in-market service, it cannot guarantee that shareholders may experience issues that are common to any first-generation innovative application.

Q: Is the Hybrid Meeting the first step that ASML takes in moving towards a virtual-only shareholders' meeting?

A: Dutch law still prescribes that a physical shareholders' meeting must be held. As long as this rule has not been changed, ASML will not switch to virtual-only shareholders' meetings.

general questions

Q: Will all upcoming shareholders' meetings of ASML be in hybrid form, i.e. open for online and in-person participation?

A: ASML may decide, at its own discretion, for each shareholders' meeting separately whether the possibility of online participation will be provided next to in-person access.

Q: Why should I choose for online participation when I can grant a proxy voting instruction as I did before?

A: When you participate online, you will be able to take into account the deliberations (just before and) at the Hybrid Meeting before you decide how to vote. If you grant a proxy voting instruction your vote has, in fact, been made before the Hybrid Meeting takes place and you will only be able to change your voting instruction until Close of Registration, Wednesday 16 April 2025, at 17:00 CET.

Q: What will be done with all my personal data which I am asked to provide when opting for online participation?

A: ABN ARMO will process your personal data and adheres to its GDPR policy, which can be found on www.abnamro.com/en/footer/privacy-statement.html.

Q: Are there any rules and conditions set by ASML that apply to the Hybrid Meeting?

A: Yes, we refer to the *Hybrid General Meeting Terms and Conditions* regarding the Hybrid General Meeting of Shareholders which can be found on www.asml.com/agm2025. If you participate online, you should have read these Terms and Conditions .

general questions

Q: I don't have a smartphone, tablet or pc. Will I be able to participate the Hybrid Meeting?

A: Unfortunately, in that case the shareholder can't join the AGM virtually. If you are registered for the Hybrid Meeting, you can always attend the Hybrid Meeting in person.

Q: My internet connection isn't working properly. Will I be able to participate the Hybrid Meeting?

A: You will need a working internet connection during the Hybrid Meeting. On your phone you can also use a mobile (3G/4G/5G) signal if available or use WiFi.

Q: My battery is almost empty. What do I do?

A: The shareholder is responsible for a properly functioning and charged device.

Q: What are the terms of use?

A: You can find the *Hybrid General Meeting Terms and Conditions* regarding the Hybrid General Meeting of Shareholders on www.asml.com/agm2025. If you participate online, you should have read these Terms and Conditions.

general questions

Q: How do I know this is a safe way to vote?

A: The website and portal provided through www.abnamro.com/evoting has been thoroughly tested by various parties.

Q: Which device should I use to participate online at the Hybrid Meeting?

A: You can participate at the Hybrid Meeting with any device that has a working internet connection and successfully logged in to the virtual environment via www.abnamro.com/evoting. Please make sure to have installed the latest version of your internet browser, Chrome, Firefox, Internet Explorer 11 and 10, Edge and Safari.

general questions

Q: The device that I will use for online participation has a camera installed: will, or can, I be made visible in the Hybrid Meeting to other participants or anyone else?

A: No, that will not be the case.

Q: When I participate online, will other shareholders be informed that I am participating or do they have the possibility to know that?

A: No. You will be registered on the registration list of all shareholders attending the Hybrid Meeting in accordance with the provisions of ASML's articles of association. A participating shareholder may request the Chairman to see the attendance list of the Hybrid Meeting. The Chairman will decide whether this request will be honoured.

Q: Will the possibility of online participation affect the proceedings at the general meeting?
